How do I get my [DAF](#) to donate to a specific initiative?

- Each DAF handles things differently, some have more customization options than others. That's why it's important to [select a DAF](#) carefully.
- You will need to communicate directly with your DAF to see what their processes are.
- Some DAFs will do wire transfers (this is much faster) and some will only mail checks. Regardless of the method, **they need to include your initiative's name in the donation.**
- The tax deductible receipt will be made out to the DAF.
